“After an analysis of **Dmitry Yakovin’s work**, which most directly fits into the rubric of surrealistic expression, one can conclude that even after the complex process of psychological refraction, they attract the audiences’ eyes as if by a magical power...”

*/ Svetlana Vais, Art Director & METRO staff writer, Chelsea, NY 2006/.*

“Dali’s arid landscapes loom large in the surrealist fairy tales created by **Dmitry Yakovin**, suggesting Alice in Wonderland displaced to the distant future . . .”

*/Anna Rohleder, staff writer Forbes.com, NEWSDAY, Long Island, 2002/.*

“Strange creatures and although both men work in the same surreal genre, **Yakovin’s paintings** are peopled by strange creatures and animals, somewhat rotund but often easily understood, even though they are transformed into a different reality . . .”

*/Mila Andre, DAILY NEWS staff writer, New York City, 2003/.*
